The delay in the Company's filing of its quarterly report on Form 10-Q is attributable to the fact that the Company's resources are currently devoted to the preparation of its annual report on Form 10-K, the delay in filing for which is attributable in large part to a delayed start in the year-end financial reporting and related audit field work, following the Company's recent submission of its quarterly reports on Form 10-Q for the quarters ended September 30, 2016 and June 30, 2016, due to the July 2016 change in auditors, the complexity of accounting for the Company's multiple business combinations and additional procedures on purchase accounting and inventory.
