The Company will not complete the filing within the prescribed time period of its Annual Report on Form 10-K for the year ended December 31, 2015. The delay is necessary to provide the Company and its auditors with sufficient time to complete the audit of the Company's financial statements taking into account the ramifications of an Amended and Restated Multicurrency Credit Agreement with BMO Harris Bank N.A. effective as of December 31, 2015, which has been structured concurrently with the preparation of the Company's 2015 Annual Report on Form 10-K. This delay could not be eliminated by the Company without unreasonable effort and expense. In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, as amended, the Company will file its Form 10-K no later than the fifteenth calendar day following the prescribed due date.

Since the corresponding period of the last fiscal year, December 31, 2014, the Company on May 19, 2015 simultaneously completed an initial public offering ("IPO") and entered into combination agreements to acquire (the "Combinations") eleven corporate entities (the "Founding Companies") operating eight businesses in the automobile recycling and resale industry. It has since acquired three more operating businesses. Prior to the IPO, Combinations and subsequent acquisitions

of three additional operating businesses, the Company's operations consisted only of activities designed to finance and prepare for its IPO and the acquisitions of the Founding Companies. The earnings statement with respect to the period ending December 31, 2014 (as it will appear in the Form 10-K to be filed for the year ending December 31, 2015) will reflect the Company's limited operations. Subsequent to the IPO and Combinations, the Company has been actively engaged in the auto recycling and resale business.
